94th YEAR No. 2

FIFTEEN CENTS

Jeannie returns from year in Sweden

Jeannie Lindgren dreamed about someday visiting relatives in Sweden and her dream came true when she spent her sophomore year in high school there.

The opportunity to study in Sweden and the decision to leave all came in a short two week period.

A relative had visited her family two years ago and Jeannie said she hoped to visit there someday.

WHEN HE CALLED her last summer, he told her she was enrolled in a Swedish school for that fall, to her surprise. And before she knew it, she was there.

"I really enjoyed the lifestyle there," said the outgoing sixteen year old. "I just seemed to fit in."

Even though she didn't know Swedish when she arrived, Jeannie managed to get all A's and B's. "That's an accomplishment," she said.

School in Stockholm is quite a bit different than in Antioch, she said. "The teachers read mostly out of the books, and there is not much control over the class" in the Swedish one.

THE SCHOOL SYSTEM is not bad—the books are fantastic. The kids just don't seem to have any enthusiasm for learning," she said.

Jeannie never got bored with the schedule of classes, which is different every day, she said.

"There is a nice choice of classes" and "at least one day a week there is a free period in the morning so we could sleep in," Jeannie said.

Lunches at school were "very balanced," and Jeannie liked them although the Swedish students didn't think they were that good.

HER SWEDISH TEACHER was "real fantastic. She went all out for me and helped me with all my homework," she said.

In ninth grade, when a student is fifteen years old, there is a two week period when they work in an office or factory.

The purpose of the work weeks is to "see if you want to go into that profession," she said.

Jeannie spent her two weeks at the American Center in Stockholm, which gives

information about America to the Swedish people.

THERE ARE NO teams in the high schools in Sweden, Jeannie said. Instead "they go to clubs in big towns," she explained, so not everyone gets the opportunity to participate.

"There were no proper facilities" for her volleyball team to play on and they had to practice at five and six in the morning, she said. They also did not have a coach.

Every two months students get a half day to spend doing something other than school work. A list is presented and they can choose what they want, Jeannie said.

The choices include handball, tennis, skiing, orienteering, soccer or just walking.

DURING THE FIRST half of the school year there is a free activity after school for three hours, she said. This may be a sport, cooking, photography or taking judo.

Jeannie was surprised to find that a lot of students wore wooden shoes.

"They dressed so casually I couldn't get over it," she said.

They wore primarily jeans and cordoroy pants. "When (the movie) Grease came to Sweden, a lot of them dressed like the fifties," she said.

SHE NOTED THAT many people wore leather jackets "because they think that's what we do in America."

There were also a number of students with their hair dyed orange, who were part of the punk rock scene, she said.

For entertainment, young people go to discos, clubs, sports and movies, she said. "Drinking is a problem for lots of teenagers" although there are "very little drug problems" in Sweden.

Taxes are very high there, Jeannie said. The government takes 60 per cent of the individual's income.

BOOKS AND SCHOOLING and retirement are free for the Swedish people because of the high taxes. A per cent of medical fees are also paid, she added.

Although the taxes are so high, "I feel you're getting your monies worth out of it," Jeannie said.

The Swedes complain about high taxes just as Americans do.

Jeannie said the majority had a "little summer house in the woods."

"To me it seemed they had everything they needed to enjoy life." Most Swedes had a car and colored television, she added.

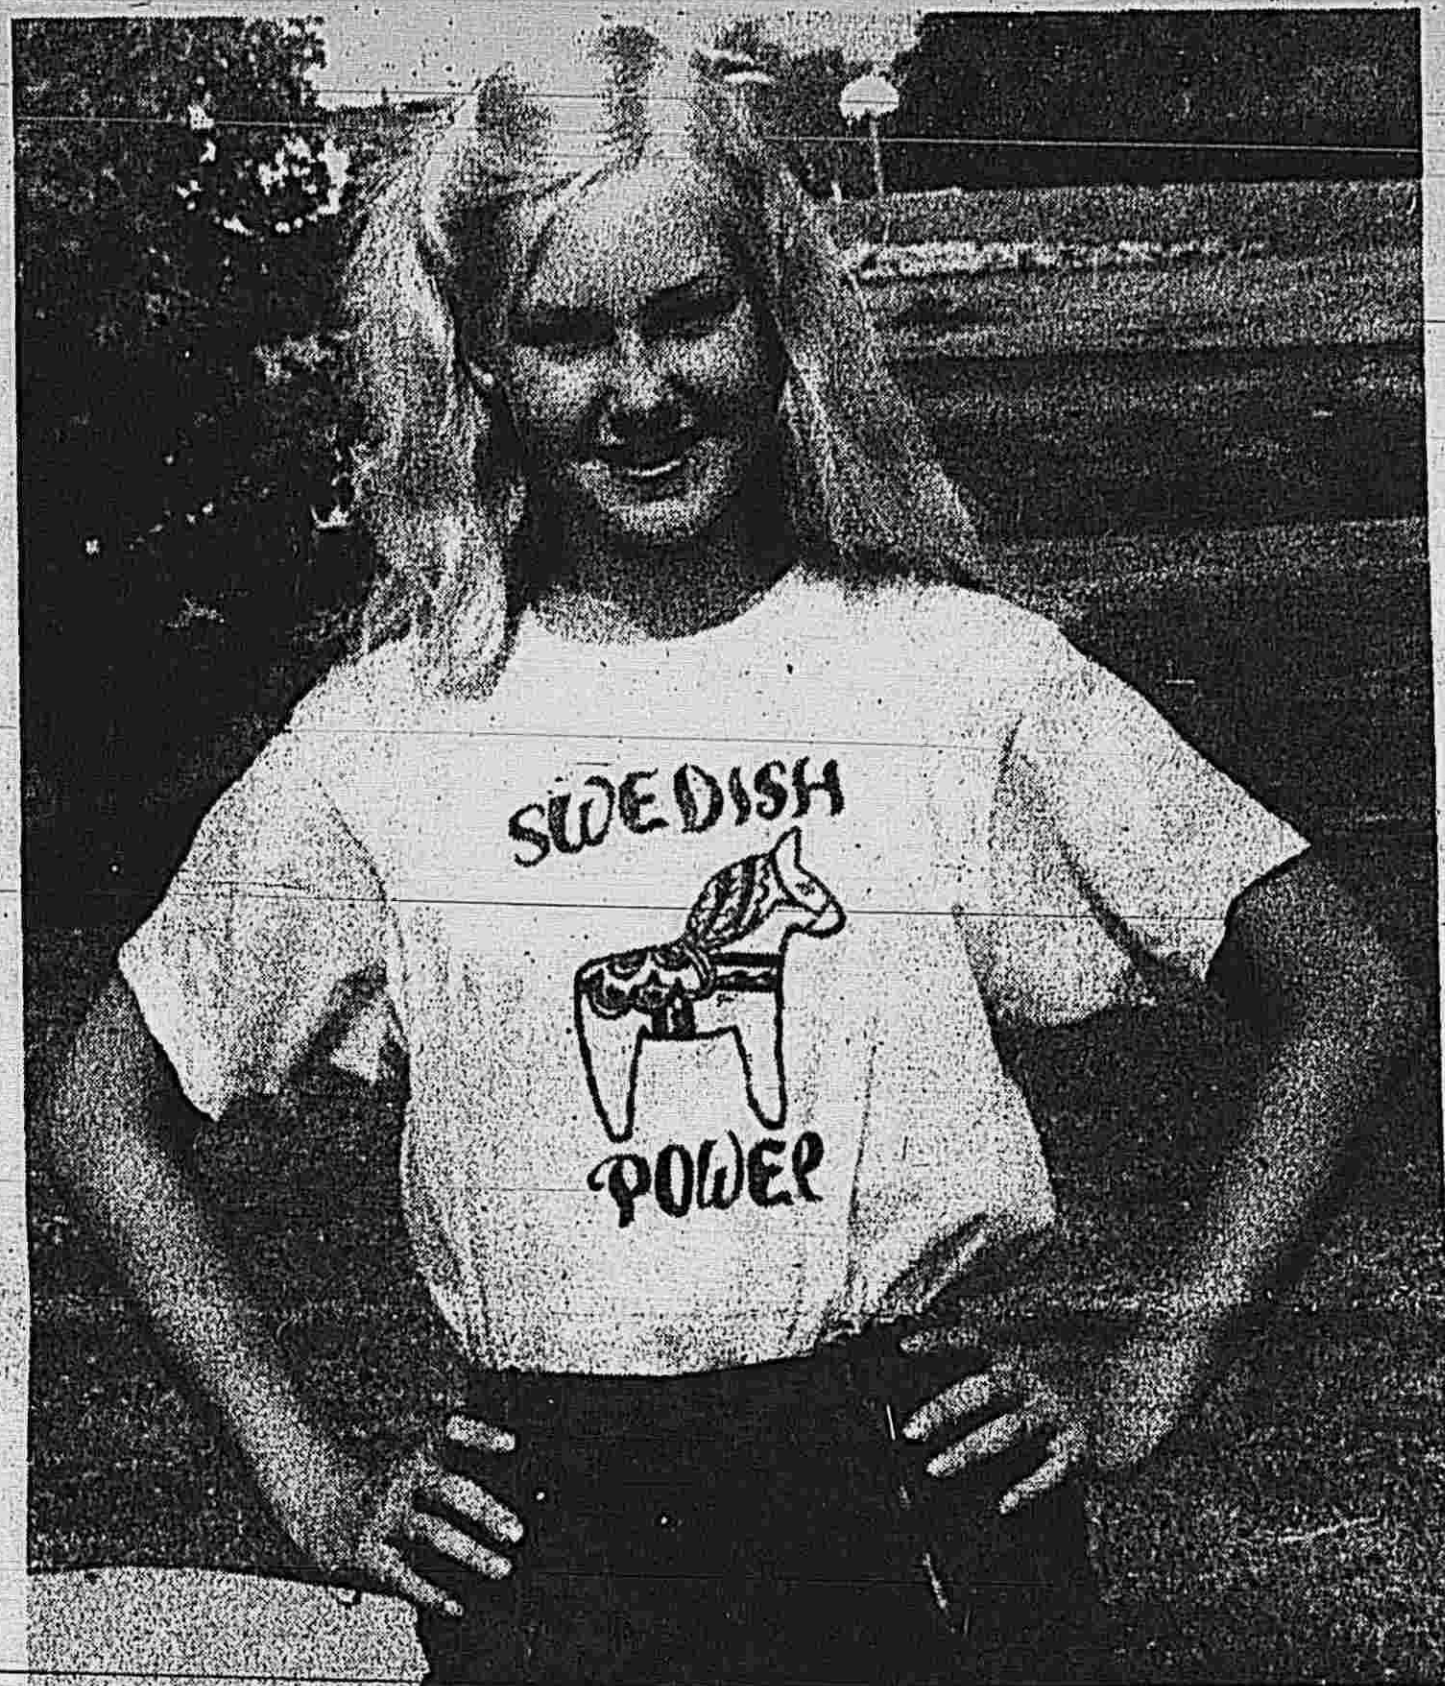

PEOPLE IN SWEDEN perceive America as "probably the greatest land in the world," she said.

"Sometimes they rave about it" and sometimes they complain about it, she said.

Jeannie enjoyed her experience and hopes to someday study in Sweden again, a dream that just might come true.

SHE IS VERY anxious to begin her junior year at Antioch Community High School this fall.

Her parents are Harry and Mary Jo Lindgren, of Antioch. She also has a brother, John, who is eight years old.

VISITED SWEDEN — Jeannie Lindgren, 16, has returned to Antioch after spending her sophomore year in high school in Sweden. She received all A's and B's in her classes there.

Mrs. Buttlar celebrates one hundred years

Dressed in a bright red dress with a decorated foil crown atop her head, Rose M. Buttlar (nee Novack) celebrated her 100th birthday.

A former Antioch citizen, Rose celebrated her special day at Crown Manor nursing home in Zion.

At the party she was visited by several relatives and was delighted to serve cake to three of her great-grandchildren. "I didn't think you'd be so big," she said to them.

ROSE WAS BORN on July 13, 1879 in Chicago. She said she is not superstitious although her centennial birthday fell on Friday the thirteenth.

She is a member of the Antioch Methodist Church and belonged to the Eastern Star in

Oak Park. Church and people are listed as her hobbies and interests.

SHE HAS NINE great-grandchildren and two grandchildren. Her husband, Charles A. Buttlar, died in the late 1920's and her daughter, Rose Doty is also deceased.

Her father, John Novack was the founder of the present Home Federal Savings and Loan Assn. in Chicago.

A sister, who is 96 or 97, is in the Zion Nursing Home, said Stanley Johnson, a relative.

Rose recalled the wicker furniture in her living room in Antioch and the many plants and beautiful kitchen in her home.

She said she is "thankful to the Lord for all he has done for her."

Board approves additional officer

The Antioch Village Board approved hiring an additional police officer for the village. The starting wage for the patrolman will be \$12,000.

"We need one bad," said Police Chief Chuck Miller. The department is having difficulty "keeping up with the workload."

THERE ARE NOT enough people on the force," Miller said when the board met in committee.

"There are several applicants going back to 1977," Miller added. "We're taking what we got and weighing them."

The new person will be added to the force "as soon as I can find a good one," he said. There are about eight past applicants who

are still interested in a position, he said. "I want to make it fair to the ones who applied in the past."

IN OTHER police-related action, the board approved a promotion for Stanley Revell to the position of sergeant. Revell was a patrolman.

"He's done a hell of a job," Miller said.

"It took him six years and it took me about the same amount of time (to be promoted)," he said. Both men entered the police field after they were in the service.

Miller added that Revell will do a good job.

"It's good for the men to see that if a guy can come here and keep his nose to the grindstone, he can earn his reward."

They're biting

Catfish are the best biters this week, biting on all lakes especially Lake Marie.

Catfish like almost any kind of bait you can put on a hook and like sand surroundings and cooler weather.

Stripers are still biting on the East-shore of Lake Catherine, according to Ed Sorenson of Sorenson's Bait Shop, Antioch.

Crappies are on Lake Catherine especially the lower half. They like about eight feet of water and minnows for bait.

Ed Sorenson also reported that a surprising amount of northerns are being caught on east Loon Lake and spinner baits are the best choice to use. Bass are hard to find, but they might bite if artificial or roach minnows are used.

WAITING FOR SCHOOL TO BEGIN — Melvin C. Schwartz is looking forward to beginning his duties as principal and fifth and sixth grade teacher at the Faith Evangelical Lutheran School.

New principal comes to Faith

Trying to meet the needs of each student is what Melvin C. Schwartz plans to do as the new principal of Antioch's Faith Evangelical Lutheran School.

Goals for the school are to "continue to maintain a quality education and emphasize the needs of the individual," said the gentle-looking man.

"I hope to work together closely with the faculty to make the curriculum suit the needs of each and every child," he said.

"I DO FEEL that with the current emphasis in our society with each one getting his own rights, it does interfere with the child getting a decent education."

"If the child is aware that when you're learning you don't dictate how you learn, but that you rather go through it in apprenticeship, then the child will learn well."

Regarding discipline, Schwartz hopes to "do my best to make sure the child realizes meeting a challenge is one of the best ways to learn."

"I DON'T WANT to make any sort of blanket statement," said the careful man. "I try to meet the needs of the moment," he said.

"The best discipline, of course, is good instruction," he added.

Along with his duties as an administrator, Schwartz will also teach fifth and sixth grades, direct a junior choir and "even do some coaching, possibly soccer."

SCHWARTZ SAID he prefers to think of himself first of all as a teacher.

"If I would be removed from the classroom, then I think my opinion about administration would be colored differently and it would suffer."

He has had several years experience working with children—from teaching in a one-room building to teaching at a school larger than Faith Evangelical Lutheran.

Before transferring to Antioch, he worked at Weyauwega in Waupaca, Wisconsin. There he was principal and eighth grade

teacher.

HE WAS A principal and teacher for 17 years at the Jerusalem Lutheran School in Morton Grove.

He began teaching in Granville, Wisconsin where he taught in a one room schoolhouse.

Schwartz, from Kenosha, is now living in an apartment in Antioch with his 81 year old mother.

"I'm very pleased with the congregation providing so much room for expansion here. It looks to me as if the expansion will be needed," he said.

"I deeply appreciate the assistance the congregation has given me in moving," he added.

"As far as Antioch is concerned, I think the size of the community is quite ideal."

He said that he "could pretty well last a long time" in his new position, adding that he spent 24 years in Morton Grove.

"It is dependent upon what the Lord has in store for me," Schwartz said.

Goldsmith to train in Texas

Airman Christopher R. Goldsmith, son of Mrs. Juliette Jette of 33 W. 59th St., Westmont, has been selected for technical training at Sheppard Air Force Base, Texas, in the Air Force aircraft maintenance field.

He recently completed basic training at Lackland Air Force Base and studied the Air Force mission, organization and customs, and received special instruction in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman is a 1975 graduate of Downers Grove High School South, Downers Grove, Ill.

His father, Donald R. Goldsmith, resides in Antioch.

Miss Antioch awaits pageant

We're down to the wire, and the time is here. Lillian Foreman, Miss Antioch, is in Aurora for the Miss Illinois Pageant.

All the preparation is over and work begins. Tuesday evening and Wednesday will be taken up in orientation and rehearsals. Thursday at 8 p.m. Lillian will take the stage of the Paramount Theater as number one in the Parade of Contestants. (Being Miss Antioch gives her that honor.) That evening she will also appear in the swimsuit and evening gown competition.

For her swimsuit Lillian will be wearing a DeWiess Design swimsuit in green with blue-green trim. Her gown for the competition is a Mike Bennet Design white chiffon halter top with beaded detail.

Friday afternoon Lillian will be interviewed by the five judges who will be looking for intelligence, poise and self-confidence.

That evening at 8 p.m. Lillian will perform in the

pageant production and present her talent competition. It is then the tension builds. By Friday night the judges will have decided who the ten finalist will be, although they will not be announced until Saturday night when the final competition begins.

Those ten finalists who are chosen will compete once again in the swimsuit, talent and evening gown competition before Miss Illinois and her four runners up are chosen.

"The entire Miss Antioch Committee will be attending the competition on at least one of the three days," said Marlo Good, chairman. "We intend to give Lillian all the support we can."

"The five days sound fun, but very trying for the contestants," said Alice Gantar, business manager for the Miss Antioch Pageant.

"Much has been said about Lillian's chances of becoming Miss Illinois. The important thing is that we are all very proud of her. She is a credit to the Antioch community and the fact that such a fine girl is down there representing us is what really matters," she added.

A reception in the form of a cocktail party has been planned for Sunday, July 22nd at Nielson's Restaurant, Rte. 59 and Grasslake Rd. from 4 to 6 p.m. Everyone is welcome.

Church holds conference

The Antioch Evangelical Free Church will hold its first Missionary Conference, July 22 to 29, at the church located on Highview Dr. and Tiffany Rd in Antioch.

It will all begin Sunday, July 22 at 11 a.m. and 7 p.m. services with missionaries Harold Beaty and Lee Henriksen from Colombia.

Meetings Monday thru Friday will be from 7:30-8:30 p.m. with a coffee fellowship following.

A special nightly program will also be held for children four years old through sixth grade. Nurseries will be provided for babies through age three.

Further information may be obtained by calling the church office at 395-4117 from 9 a.m. to noon weekdays.

Happenings

The members of Faith Evangelical Lutheran Church, 1275 S. Main St., announce that their Vacation Bible School will be July 30th to August 10, Monday through Friday from 9 to 11:30 a.m.

Every child in the community from three years old through 8th grade is invited to attend and learn truths which shall be of eternal importance, a spokesman said.

THE HEAT'S ON — Swimmers and friends of the Antioch Swim Team swim laps at the community pool during the annual marathon. Swimmers were sponsored by pledges for each lap they swim to raise funds for the team. The team is sponsored by The State Bank of Antioch.

Hard work made fair a success

Winners at the Antioch Chamber of Commerce and Industry's community summer fest are all from Antioch.

One-half steer of beef, the first prize, went to Bill Mendrals.

B. Schultz, a senior citizen, won a whole hog for the second prize.

The third prize went to J. Dziki, who won a case of chickens.

Prizes were sponsored by the Antioch Beef Co.

THE SUCCESS of the arts and crafts fair and summer festival is due to the people who worked behind the scenes, said Chamber executive secretary Dixie Sparks.

Different committees made of people who voluntarily gave their time made the day. "Because of all those people, this was a success," Sparks said.

"People who belong to the Chamber are really outgoing and ambitious" and put everything into each venture they undertake, she added.

"We know that there were many more people there than last year," Sparks said. She estimated that there were "hundreds" of people who attended the day-long event.

THE PEOPLE who entered the fair "came back with very favorable comments and were planning very definitely to show again next year," she said.

The fair is a time when people find out what talented people there are in the area, Sparks added. "It is the kind of place where people would want to show their art."

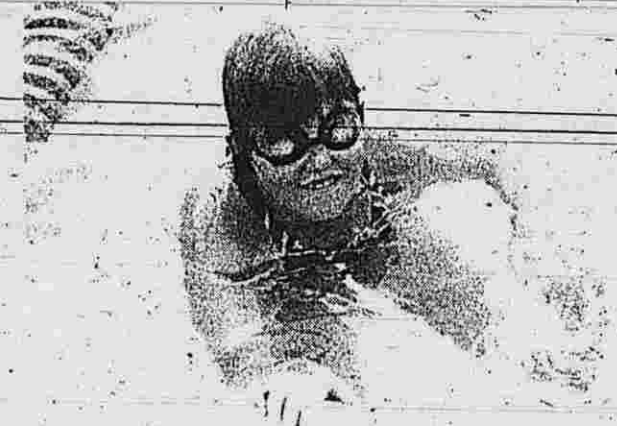

There were "nothing but fun times." She was pleased to add that the pancake breakfast was sold out before it was over.

The annual event "distinguishes Antioch because it is probably one of the largest outdoor fairs of its kind in the county," Sparks said.

The summer fest was "superific," she said. "It was a beautiful day. I was very happy with the way everything went."

THIS IS HOW — Marty Berry, a coach of the Antioch Swim Team, gives directions while swimmers slice through the water. A few minutes later she was "captured" by team members who gave her a cake for her birthday surprise.

TOUGH COMPETITOR — Kris Flowers, 11, swims hard at the swim marathon sponsored by the Antioch Swim Team.

FINANCIAL NEWS

by
Phil Schaub

Trusts are very common. There are standard forms that lawyers use just like marriage licenses. I've taken a few key clauses out of a land trust to show how these things CAN be phrased. "(the trustee) as trustee hereunder, is about to take title to the following described real estate . . . when it has taken the title thereto . . . it will hold it for the uses and purposes and upon the trusts herein set forth. The following named persons shall be entitled to the earnings, avails and proceeds of said real estate . . . such right in the avails (proceeds) of said property shall be deemed to be personal property . . . no beneficiary hereunder at any time shall have any right, title or interest in or to any portion of said real estate as such, either legal or equitable, but only an interest in the earnings, avails and proceeds as aforesaid . . . (the trustee) will deal with said real estate only when authorized to do so in writing . . ."

A trust exists when one person (the trustee) owns and holds something (the property, or corpus) for the benefit of someone else (the beneficiary). A trust starts when someone (the grantor) gives property to the trustee to hold in trust. It is the written trust agreement signed by the grantor and the trustee that sets the ground rules for the trustee. The trustee has title. He owns the property. He can do anything he wants with the property, unless the trust agreement says he cannot. He can take possession away from the beneficiary, unless the trust agreement says that he cannot. He can sell the property, unless the trust agreement says that he cannot. This is why it is so important to have, a trustworthy, competent trustee; and a written, well drawn, trust agreement. You as grantor, set the groundrules for the trust. You can do this in the trust agreement. You can put any type of restriction on the trustee you can get him to accept. You can put any kind of restriction on the beneficiary you wish. But, once the trust agreement is signed and in force, you normally can't change it. Like a contract, you can't change your mind later, unless all parties agree to dissolve the original contract.

Nauman plays at Wesleyan

Robert Nauman of Antioch will be a freshman candidate for football at Illinois Wesleyan University next fall, Titan coach Don Larson announced.

Nauman played quarterback for Antioch High School two years, being voted the squad's most valuable player in 1977. He was given honorable mention on the Lake County all-star team.

Nauman, an outstanding student who is a member of the National Honor Society, also intends to try out for basketball. He is a 6-foot 4-inch 195-pound forward.

He is the son of William and Judith Nauman, 41031 First St., Antioch.

Pippin to open July 27

It won't be long until the opening performance of PM&L's fast-moving production of "Pippin," the musical comedy by Roger O. Hirson.

Opening night is Friday, July 27, and following presentations are set for July 28, and August 3 and 4. Since the PM&L Theater is undergoing repairs and remodeling this summer, all four of these performances will be at the Antioch Community High School, where curtain time is 8:30 p.m.

Colorfully set in the eighth century, when there was no energy shortage of any kind, the show deals with the search and fulfillment of King Charlemagne's son Pippin.

This quest is sometimes spectacular, sometimes

frustrating, but always picturesque and exciting, thanks in no small measure to the spirited dancing and singing of Stephen Schwartz' widely-acclaimed music, as rhythmic as it is tuneful.

Ken Smouse directs the PM&L production, with the assistance of Chris Lindberg as music coordinator, choreographer Linda Zeman, and pianist Tracy T. Kiederlen in charge of the sound bursting from the orchestra pit.

The large and sparkling cast features Gurnee's Mike Petersen as Pippin; Tricia Schaefer formerly of Antioch as the Leading Player; Peter Thelen, Spring Grove, the King, Kat Poskozim, Antioch, Fastrada; Mary Kiszely, Berthe; Mike Con-

ners, Lewis; Kim Anderson, Catherine; and Lane Ibanez as her son Theo.

THE CHORUS of dazzling singers and dancers includes Jennifer Beese, Patti Gross, Lori Jo Rush, Janet Nordstrom, Janet Papenfuss, Jennifer Biel, Betsy and Jeff Smouse, and Keith Beohme of Antioch; Pam Knourek, Lake Villa; Lisa Soland, Spring Grove; Kim Parsons and Ron Kurpiers, Gurnee; Patrick Bast, Fox Lake; and Dave Krostal, Lindenhurst.

The time has come to make your reservations to see this spectacular PM&L summer musical. The telephone number to call is 395-3055. Don't forget that the high school is the location of the summer show, and that you should be there no later than 8:15.

STUDYING THE SCRIPT—Kim Anderson reviews her notes on the character of Catherine, which she plays for the production of "Pippin" by the PM&L Theatre Players. Kim is from Antioch.

TIME FACTS & FANCIES

Electricity is delivered at nearly the speed of light—186,000 miles a second—equivalent to traveling seven and a half times around the earth in one second. Electricity is used at almost the same instant it is produced.

It takes ten to 12 years to license and construct a nuclear power plant in the U.S.—twice the time it takes in Japan, says the Edison Electric Institute, because the regulatory process has become tortuous and unpredictable. Delay can result in unnecessary cost increases of some \$120 million a year in construction.

Committee of industry to inform community

The Industrial Committee meeting of the Antioch Chamber of Commerce and Industry met to "form industrial recognition in the community," said Chamber executive secretary Dixie Sparks.

About 25 people attended the meeting held at the Antioch Public Library.

Through representation of the various industry in the area, the committee seeks to benefit each individual industry, Sparks said.

THE COMMITTEE will "create a better understanding of the different types of industry and will help one another," she said.

It will help make people aware of what is available, Sparks added.

The committee is suggesting that space be allocated for a permanent industrial display in the new museum, she said.

MEMBERS ARE ALSO proposing a speaker's bureau, which is a list of speakers who will explain about local industry in high school, she added.

"Trying to concentrate on employing skilled people in

the area" is one of the committee's goals, Sparks said.

"The Chamber is really interested in having this work in a positive manner," she added.

Plans for roadrace finalized

Antich Parks and Recreation Dept. is putting the final touches on the "First Annual Antioch Roadrace" planned for Sunday, July 22 at 9 a.m. in front of the safety building on the corners of Toft and Orchard.

This being our first attempt at a run, we ask the residents of Antioch to help us by offering the runners water when they pass by your house.

The routes have been planned around some of the subdivisions, so if it's really hot the runners may want to be sprayed with garden hoses.

Faces In The Crowd...Antioch Little League

Watch this space every week for The Antioch News "Faces In The Crowd", the popular Little League feature where fans can win prizes from Antioch merchants if they are pictured by The Antioch News photographer. Will you be photographed? Remember, you have to come in to The News office and identify yourself to win.

CHAMPS — The Cardinals are the Antioch Little League Champions. The winners are, front row, left to right, Scott Horton, Mike Galdine, Jason Johnson and Tom Kane. Standing from left to right are Manager Ed Johnson, Terry Sabor, Brian Hairrell, Jeff Johnson, Joe Wagner, Keith Hairrell, Danny Anderson, Lane Ibanez and Tom Kane, first manager. Not available for picture were Richard Risch, Bart Behling, Mike McGrain and Bob Wicinski. The team is sponsored by Galdine Electronics. — Photo by Bill Porter.

Results

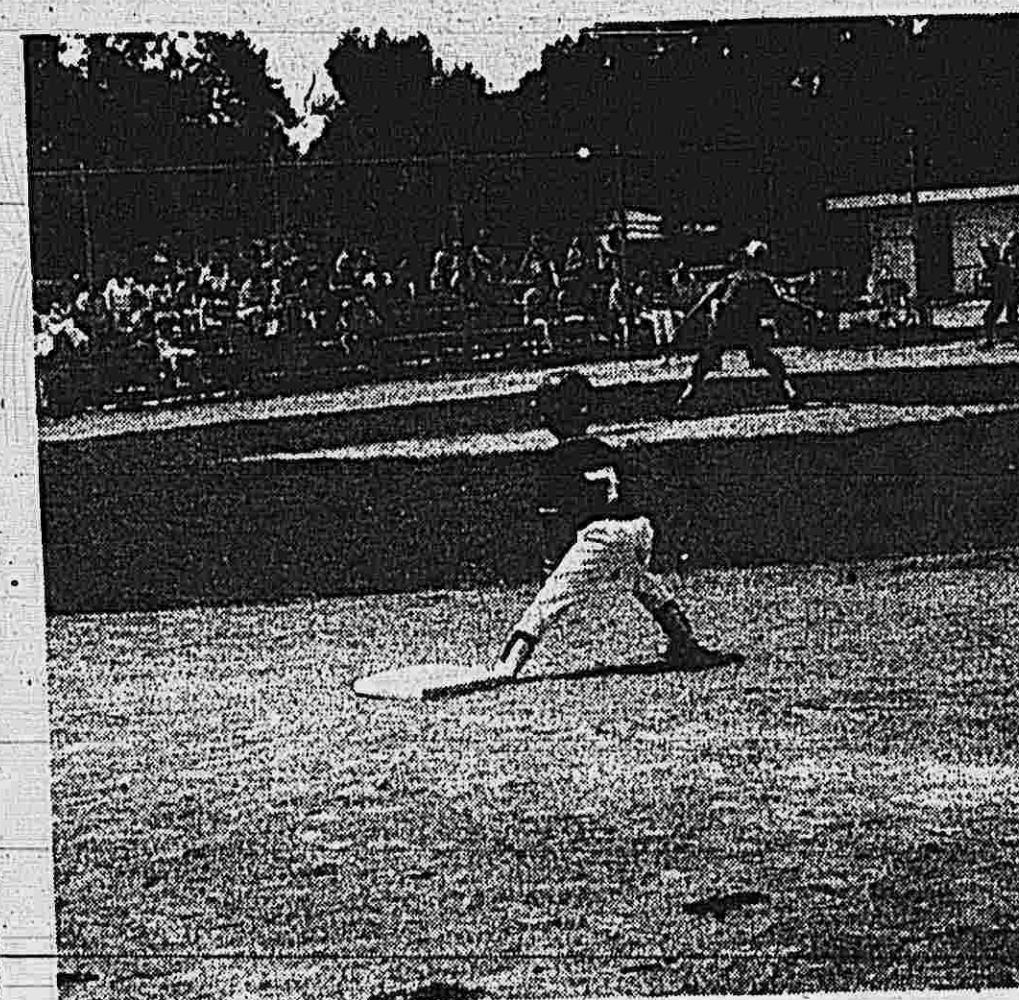

The Cardinals won the Little League championship with 9-2 and 2-1 victories in games two and three.

Brian Harrell broke up game two with a grand slam inside-the-park home run. Richard Risch pitched a complete game to get the win.

Game three was close all the way. The eventual winning run was scored on a walk with the bases loaded in the third inning. Jeff Johnson pitched the final three innings to get the win for the Cardinals.

The Cardinals had chances to break the game open but each time the Dodgers responded with good defense.

In the district tournament Antioch defeated Skokie 5-0. George Hickey's one-hitter and Ron Volling's base-loaded triple were the highlights of Antioch's win. Antioch moves into semi-final play against Grant Wednesday at Grant.

STANLEY REVELL

OFFICER OF THE WEEK

Revell gets new badge

Antioch police officer Stanley Revell traded his silver badge for a gold one as he was promoted to the rank of sergeant.

Revell, who began working for the Antioch Police Dept. in April, 1973, is now a "road supervisor, basically," said the tall, athletic officer.

WORKING WITH Sgt. Watkins, the two will work individual shifts, he said.

Before Revell entered the police department, he was in the air force for seven years and worked several jobs following that.

"I worked at six or seven jobs, but I couldn't get into any of them," he said.

He applied in Antioch when a friend told him about the opening. This job turned out to be the only job he enjoyed.

"THERE IS A different kind of satisfaction" he gets from police work that he didn't find in just working hard at his other jobs, he said.

The challenge of his work and the diversity of the field are what Revell likes most.

"You hardly ever have a day when you do the same thing twice," he said. "There are so many different facets of police work."

Being an officer "varies from a social worker to a clergyman, it seems like," he said.

"YOU'RE A MARRIAGE counselor one day and you break up a fight the next. It's just so changing."

In his spare time, he enjoys jogging and

spending time with his family.

He was preparing for the Antioch Roadrace when he found out about his promotion.

As he was running along North Ave. and Nelson Rd., Officer Hoopla stopped him and brought him to the station, where he was told about the promotion.

"I didn't even know what it was for until I got in the station," he said.

HE HAS BEEN a jogger for about four or five years and finds it so relaxing that he loses himself in his thoughts, he said.

Revell said he's trying to get his wife to jog and knows someday he will succeed.

Softball is another of his athletic interests. He plays first or second base for a team sponsored by Delmar Construction.

HE HAS SPENT most of his life in Antioch and was raised on Lake Marie. He attended Emmons Grade School and Antioch Community High School.

Roxanne, his wife, is a dispatcher for the Libertyville Police Dept.

Revell smiled and said he is "very proud and happy to be with the village" as long as he has.

He enjoys working with his fellow officers and described the dispatchers as "excellent."

"There is a lot of potential (in the department)," he said. "We can do anything we put our minds to, I'm sure."

Old agers to attend park district picnic

by BERNICE BERNAU
Antioch Chapter No. 387 of American Association of Retired Persons will hold a bake sale in Antioch on Sunday, July 22 on the West corner of Toft at the cannon, from 7:30 a.m. to 1 p.m.

Mrs. Frances Winiacki, chairlady, reminds all members to bring their baked goods early. Call her at 395-3229 for more information. Goodies may also be left at the home of Esther Aiani on Saturday. Proceeds from the bake sale will benefit the AARP Chapter.

The Antioch Parks and Recreation Dept. will be sponsoring a 5,000 and a 10,000 meter run that morning starting at 9 a.m. Pre-registration will start at 7:30 a.m. Glenda Tomaschik is the coordinator.

Preregistration and bus reservations for the Park District's annual picnic for Lake County seniors can be made at the AARP Bake Sale during the marathon. The picnic is scheduled for August 29, the last Wed-

nesday of the month, at Lakewood Forest Preserve, Fairfield Rd. and Rte. 176, Wauconda.

Every senior in Lake County is invited. Relatives, friends and acquaintances of seniors are urged to promote the event to those who may or may not otherwise hear of it. A day in the sun with other seniors enjoying games, beer, pop, ice cream, entertainment, all free, provides a wonderful outing a change for all. The only requirement is that each bring his own picnic lunch.

Despite the gasoline

problem, preparations are going ahead for the largest crowd ever, with more coming by bus. Seniors who want free bus transportation from Antioch can register early at the AARP Bake Sale on July 22 at the cannon. Esther Aiani, president of the Antioch Chapter 387 of AARP, is the Antioch Township representative.

Jim Fields, Township Supervisor requests early bus reservations so he can plan for enough buses. Tickets for the picnic will also be given out that day by AARP members.

Swimmers lose 2 meets

The Antioch Swim Team had a very busy week with A and B meets against Brentwood, the Swim Marathon on Wednesday and Coach Marty Berry's surprise birthday party after Friday's practice.

Antioch and Brentwood swam a close meet with a final score of Brentwood 235 and Antioch 214. The following Antioch swimmers won first place ribbons and everyone put out a good effort.

Eight and under: Matt Zavaski, back, breast; Kim Zamudio, breast, free and Derek Wogsland, free. Medley relay: Brad Celarec, Cathy Haley, Glen Lallo and Kim White. Free Relay: Kirsten Kelly, Derek Wogsland, Kim Zamudio and Matt Zavaski.

Ten and under: Matt Zavaski, fly; Tom Nicholl, free; Heather Scheiden, breast; and Colleen Kelly, free. Free Relay, Colleen Kelly, Tom Nicholl, Heather Scheiden and Eric Williams.

Twelve and under: Joel Bellucci, free; Kris Gardner, fly; Kaky Kelly, free and Individual Medley; and Brian Wogsland, fly and Individual Medley. Free Relay: Kaky Kelly, Kerry Kelly, Joel Bellucci and Brian Wogsland.

Fourteen and under: Ken Lopez, Individual Medley and breast and Shelly Volling, free and back.

Sixteen and under: Sue Harrison, fly, free and individual Medley.

The B meet against Brentwood on Tuesday wasn't as close with Brentwood taking a large lead and winning 270-176, but we did take firsts in both diving events with Ted White, 16 and under and Mike Fields, 12 and under.

Eight and under Dan Warren, breast and free. Medley Relay, Mike Jonas, Kathy Flowers, Julie Zavaski and Ian Warren.

Ten and under: Cathy Haley, back; Joan Hill,

breast; Andrea Kahler, fly and Brian White, fly. Free Relay, Russell Ivy, Jennifer Jucha, Brian White and Kim Sullivan.

Twelve and under Relay: Rich Eckert, Katie Shepard, Sunday Smith and Joe Stevens. Fouteen and under: Craig White; fly individual Medley and free. and Ann Ivy, fly.

Sixteen and under: Ted White, fly, Margaret Ivy, fly and Leslie Gallagher, Individual Medley.

On Wednesday afternoon 51 swimmers took part in the Swim Marathon to raise funds for the swim team. More information on that later, for now — the top swimmer was Jennifer Czapiewski, 15, who did 420 laps.

Men's tennis match to open

The Time Machine

50 YEARS AGO: JULY 18, 1929

Percy E. Chinn, 12 years manager of the Great Atlantic and Pacific Company's Antioch store, is receiving congratulations from his friends this week on two counts.

First, because the local store showed a greater increase in business during June than any other store in the Chicago district, he is to receive a diamond ring. He also received a substantial check from the company because his store showed a greater percentage of increase in business than any other A&P store in the central states. There are 450 stores involved.

Laying the corner stone next Sunday marks an important step in the erection of St. Peter's church edifice in Antioch. The stone will be laid by Bishop Sheel of Chicago, assisted by other notables of the Catholic faith.

The Priscillas held a regular meeting at the Hammer Sandin home. Eighteen were present and a very nice lunch of sandwiches and coffee was served.

Three youthful berry pickers came upon Thomas A. Edison in a field near Brookside, N.J., where he was gathering wild flowers which he told them were to be used in cultivation for his rubber exploitations. During the course of his conversation Mr. Edison told the youths the secret of his process, but they refuse to disclose it to interviewers.

30 YEARS AGO: JULY 14, 1949

Walter I. Scott was appointed village marshal by President George B. Bartlett in a special meeting of the village board Monday evening.

Joseph Harold Hedger, Pistakee Lake, yesterday asked the Lake County circuit court for an order to make his mother, Mrs. Emily B. Green Loutzenhiser give him back his half share of their lake summer resort. Last September he transferred his half interest to her to keep the property free from possible legal action in a law suit against him. Now that the prospects for the suit have faded she refuses to give him back the half interest or to share the profits. They paid \$8,000 for the two building resort in 1946.

The Burgess Battery Co. this week made its formal announcement of discontinuing its plant here.

Sanctioned inboard power boat races for Fox Lake as an annual event were assured Sunday when the Chain O'Lakes Boat Club conducted a regatta at the Mineola hotel so successful that it received the praises of all of the officials of the Mississippi Valley Power Boat Assn.

The Central Baptist Children's home on what was formerly the Lehman-Peacock estate at Lake Villa, now has 45 children. The association is seeking \$20,000 to build a new hall to be known as Stewart Hall.

10 YEARS AGO: JULY 17, 1969

Seventy-one per cent of Antioch Community High School's 1969 graduating class are planning to continue their education in one form or another.

The Antioch Zoning Board of Appeals has voted unanimously to turn down a request for seven 10-unit apartment structures at 630 North Ave., Antioch.

Good luck to Collen Gross in the Miss-Illinois contest. With a wonderful person like Mrs. Maras to help her, we know she'll go far.

Hear tell two Antioch business men are planning to buy George Diamond's in the very near future.

Some 45 veterans were entertained last week at The Arbor Resort by the Women's Auxiliary of the Antioch Township Republican Club assisted by the Rainbow Girls. The resort owners donated their grounds and the use of a pontoon boat and Edith Andreas donated the use of her "Floating Veranda" and gave the boys rides all afternoon.

Tony and Lill's Pizza Parlor donated 17 king-size pizzas and many cakes were donated. The boys dined on barbeque beef. Many of the area's young ladies came out in the evening and danced with the veterans to the music of The Small Print.

Bids opened

Bids for carpeting for the Fire Safety Building and for electrical wiring for a well house were opened by the Antioch Village Board.

A BID FOR \$5,233 from Saynor Floor Covering in Libertyville and one from the Lakes Co., Inc. of Antioch was made for \$5,369.63.

Thomas Interior Supply of Elk Grove sent in a bid for \$4,955.94.

All bids were referred to the Fire Safety Building Committee, which will meet July 23.

I.W. Carey Electric and Plumbing Co. sent a bid for \$20,950 with an additional \$7,750 for a generator.

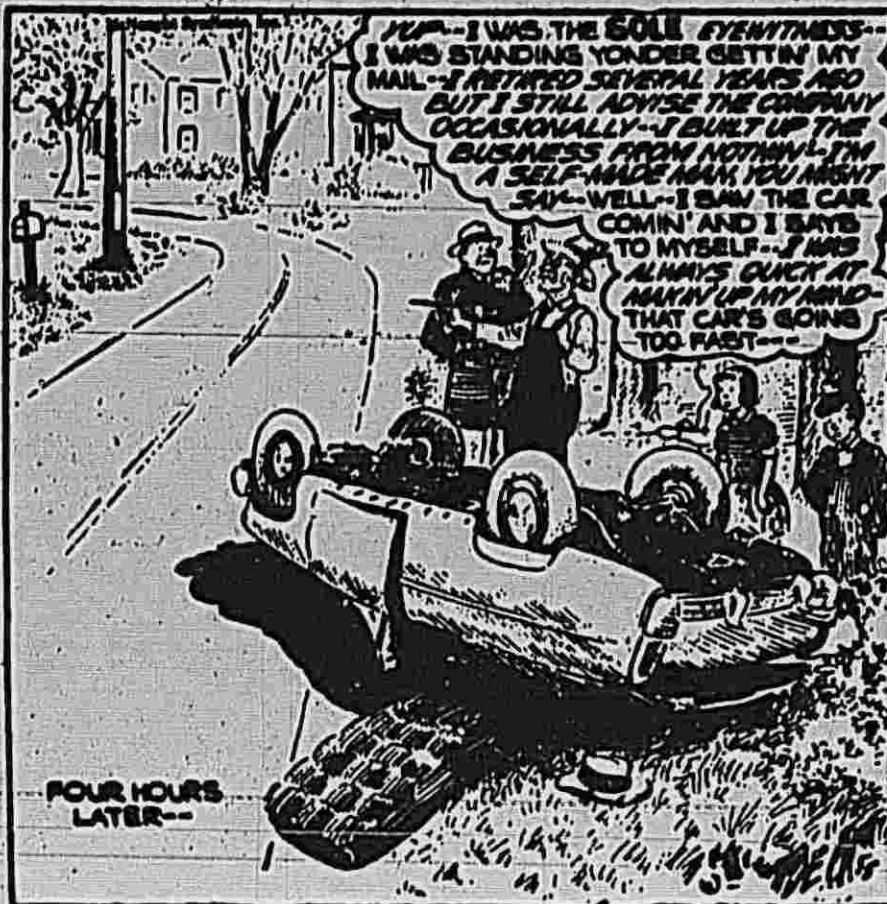

A bid for \$28,545 was made

by the Antioch Electric Service, Inc.

(April 22 - May 21) There is an increase in the potential for confusion and deception in career areas. You may experience a nervous energy drain now.

GEMINI

(May 22 - June 21) A brief flutter in the areas of romance and social activity is just what you need now to keep you from dragging your feet.

CANCER

(June 22 - July 23) If you can avoid petty friction and irritations at work, this can be an excellent time to reorganize your work procedures.

LEO

(July 24 - August 23) There is certainly an optimistic tone to the week's events. You are willing and openminded about many things now.

ANNIE MAE

Miss Antioch, Lillian Foreman is down in Aurora for the Miss Illinois Pageant. As you can well imagine, it's a long five days for the contestants and they can use our moral support. Lillian is a great girl and has a very good chance.

Please let her know we're all thinking of her while she's down there and that we wish her well in the competition. It's an honor for us to have such a great queen representing us in the state pageant so let her know it.

Drop a card, send a telegram or send some flowers and give Lillian a boost down there. She'll appreciate knowing we're thinking of her. Send your messages to: Lillian Foreman, Miss Antioch, Watkins Hall, Aurora College, Aurora, Illinois 60506.

CONGRATULATIONS TO Thomas and Claudia Hovey on the birth of their new infant, Stephen.

He was born July 1 and has joined the other Hovey children, Brian, Tom and Jennifer at home, 23546 Park Terrace.

He weighed 6 pounds, nine ounces at birth. The delighted grandparents are his maternal grandmother, Gertrude Hart of Spring Grove and paternal grandparents, Thomas and Helen Hovey of Hebron, Connecticut.

Lots of exciting things are going on in Antioch this week. I saw some excellent dancing at a rehearsal for PM&L's 'Pippin' the other night, and I think this is one play you won't want to miss.

It will be held this weekend, July 27 and 28 at 8:30 p.m. Don't forget that the 'Pippin' will be held at the Antioch Community High School because the PM&L Theatre is being repaired.

HAVE YOU NOTICED a lot of people running around town lately? It looks like many people are getting ready for the Antioch roadrace July 22.

The runners have practiced hard, so I hope you will give them support and cheer for them as they run.

The roadrace will begin at 9 a.m. at the intersection of Toft and Orchard Sts. This may become an annual event.

The Antioch Upper Grade School Band is practicing for "Music in the Park," which will be performed July 19 at 7 p.m. in William's Park.

AFTER THE MUSIC, a water show will take place at the Aqua Center just up the hill.

When I was walking down the street the other day, some people were saying they were afraid skylab would cause serious damage. Everyone can rest easy, knowing that not even the sheep in Australia's outback were harmed.

VIRGO

(August 24 - September 23) You may be in a grumbly, irritable mood, and need to stay out of the way of those who derive pleasure in antagonizing you.

LIBRA

(September 24 - October 22) Don't make the mistake of baiting someone who's likely to take you at your word and react in a most unpleasant manner.

SCORPIO

(October 23 - November 22) A generous gesture can prove mightier than the sword when offered in the right spirit. You'll sense a feeling of peace.

SAGITTARIUS

(November 23 - December 22) You may be feeling a little depressed or anxious now, but you'll be back on the right track in no time.

CAPRICORN

(December 23 - January 19) You are likely to witness more than a little social excitement or romantic intrigue. You feel drawn to the arts.

Air Force honors Appelhans

Airman Dale PV. Appelhans, son of Mr. and Mrs. Donald J. Appelhans of Antioch, has been selected for technical training at Lowry Air Force Base, Colorado, in the avionics systems field.

Appelhans has completed basic training at Lackland Air Force Base and studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

he is a 1978 graduate of Antioch Community High School.

PAYMENT

The Antioch Village Board voted to pay the Benes Construction Co. \$9,063 as a partial payment for work completed on a village well house.

Today's sheerest stockings are normally 12 or 15 denier. A product of American ingenuity, they're available, along with a remarkable variety of other new hosiery— at local department and clothing stores, which celebrate National Hosiery Week September 9-15.

Stevens halfway leader

The Antioch High School Football Senior Leadership Program enters the second half of summer activities with the Sting-Rays led by Greg Stevens holding a slight lead over the remaining eight teams.

Competition this summer is centering around activities involving responsibility, determination and physical conditioning.

CURRENT SENIOR leadership standings are: Steven's Sting-Rays 51, Mancuso's Minks 37, Behne's Bears 36, Webb's Weasels 35, Sertic's Serpents 34, Andre's Angels 27, Nieze's Night-crawlers 25, Plett's Powerhouse 23 and Case's Cougars 20.

The Senior Leadership Program will continue into August and end with team-against-team competition in a series of fitness tests and obstacle course races.

YOU BE THE JUDGE!

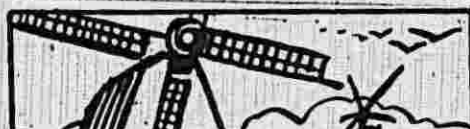

LOOKING AHEAD TO THE YEAR 2000

Until 1985, there appears to be adequate electric power supplies, but for the years beyond? That could be the question.

In 1977, about 29 percent of all energy used in the U.S. was for generation of electric power. This is expected to rise to nearly 35 percent by 1985, to almost 50 percent by the year 2000.

How will America cope with this increased demand? Its two main sources of energy, says the Edison Electric Institute, will be coal and nuclear.

What about other types of alternate energy—solar, geothermal, windpower? While these and others offer potential for the future there is still much research to be done before they become economically realistic on a scale large enough to satisfy this nation's electric power needs.

The first known windmills were used in the 12th century.
